TOOL LENDING GUIDELINES

- Tools are available on a first-come basis, and there is no guarantee that specific tools will be available.
- Only tools designated for “customer” use may be borrowed.
- Tools must be returned to an IBX staff member before you leave for the day.
- You may be required to relinquish tools not in use, if another party requests them.
- You are responsible for any negligent act arising from use of tools while they are signed out to you.
- You are responsible for using tools safely while they are signed out to you.
- In the event you do not return the tool at the end of the day, IBX operations staff will retrieve them so that other customers may use them as needed.

TOOL CHECK-OUT

To check out tools, contact IBX operations staff. The borrower will be required to leave their ID.

TOOL RETURN

You are required to return the tools to an IBX operations staff member when finished with them for the day. Please remember, others may be waiting to use these tools.

TOOL SAFETY

Tool users must follow all written and verbal safety instructions. For example, ladders are marked with a safe working height that should not be exceeded.

Internet Access

Wi-Fi access is available in the Customer Care area of some IBX facilities. If you have trouble connecting, please call the [Equinix Service Desk](#).

On-Site Facilities

Other IBX amenities may include shower facilities, vending and coffee machines, microwave, refrigerator, video game consoles, phone, computer desktop access, first aid supplies and equipment carrying tools.
